## Aurasma looks cool!

Aurasma is a cool app! It's special, looks useful, and you are going to like it very much.

Every day, you bring homework with pictures. There are also pictures in your textbooks. They help you with your studying and looks like manga. Manga? Well, just a little. But, with the Aurasma app on your school's iPad and at home, using your iPhone/smartphone, these pictures can come to life.

You can have fun and learn more in the classroom. This time, you want homework!!
