Social Media Education!

Do you use Twitter? You call it ツイッター in Japanese. So, it must be popular in Japan. If you have a pen pal from another country, does he or she use Twitter too? Because you can tweet to your pen pal in English (or in Japanese)!

But, you must not use Twitter in school because it is a classroom rule. TWEET!! Do you hear something? Whose smartphone is that?! Is it yours?

Your pen pal wants to tweet you!

Write your answers.

Where are you? I'm in Science class now. But, my teacher is boring. Tweet me!

?

Because this class is difficult.

In Japan, you must study English. Is it difficult or easy? Why?

Chat 1

OMG! My Japanese teacher told us about school life in Japan. For example, you must clean your classroom. But, why do you have to clean? We don't do classroom cleaning because it's not our job.

?

A #janitor cleans our school at night! LOL

Chat 2

Don't use Twitter in class!!
