 (Music/Arts)

## Social Media Education

These days, many young people use social media apps on their smartphone to connect with friends. They are more popular than postal mail. So, what social media apps do you know?

Here are some examples.

Facebook

YouTube

Twitter

LINE

Instagram

These are popular apps in the world! Let's connect & try...

### Q & A:

1. What social media apps do you use to talk to your friends?

*(For example: I use ~ to talk to my friends. OR I don't use any social media apps.)*

---

2. Which is more useful, LINE or Twitter?

*(For example: ~ is more useful than ~.)*

---

3. If you have a pen pal from another country, which app do you think is more popular to use than postal mail? Is it Facebook or LINE?

*(For example: I think that ~ is more popular to use than ~.)*

---

4. When you use a social media app, you want to make your sentences short. Let's try in English! How do you make these words shorter?

Oh my gosh!

OMG

I see.

IC

Thanks.

thx

Please.

pls

How are you?

HRU

Tomorrow.

2mr

Talk to you later.

TTYL

Laugh out loud

lol

Pls | OMG | HRU | thx | 2mr | IC | lol | TTYL

Let's communicate with people from around world in English!!
